A hand-drawn grid on lined paper, consisting of 16 columns and 8 rows. The grid is bounded by a thick black border. Inside the grid, there are several handwritten symbols and numbers. In the first row, the first four columns contain a large 'X' symbol, while the remaining twelve columns are empty. The second row contains a large '9' in the first column, followed by a series of checkmarks (✓) in the next four columns, and an 'X' in the last three columns. The third row contains a large '4' in the first column, followed by two 'X's in the next two columns, and a series of checkmarks (✓) in the last three columns. The fourth row contains a large '3' in the first column, followed by an 'X' in the second column, and a series of checkmarks (✓) in the last four columns. The fifth row contains a large '5' in the first column, followed by a series of checkmarks (✓) in the next four columns, and an 'X' in the last three columns. The sixth row contains a large '6' in the first column, followed by a series of checkmarks (✓) in the next four columns, and an 'X' in the last three columns. The seventh row contains a large '7' in the first column, followed by a series of checkmarks (✓) in the next four columns, and an 'X' in the last three columns. The eighth row contains a large '8' in the first column, followed by a series of checkmarks (✓) in the next four columns, and an 'X' in the last three columns.

A hand-drawn diagram consisting of four vertical lines enclosed in a rectangular border. Each vertical line has a wavy top section and a straight bottom section. At the bottom of each vertical line is a symbol: a '+' sign in the first column, a '-' sign in the second column, a '+' sign in the third column, and a '-' sign in the fourth column.
